'Due to the nature of heavy industrial equipment, I, the applicant, acknowledge that while using such equipment, during this course, I assume full responsibility for all my actions in the safe and proper use of such machinery and that further I will follow the trainer's instructions completely. If after having read this agreement in it's entirety, I feel that I am unable to assume responsibility for my actions in the proper use of said equipment, then I will not sign this agreement, and not undertake the course. I understand that operating industrial equipment can be dangerous due to the nature of the equipment, and despite this, wish to proceed.

(1) IN CONSIDERATION of my acknowledgement to undergo training in the use of industrial equipment, on behalf of myself, my heirs, administrators and assigns, I hereby release and forever discharge DGS Canada (DGS Diversified Group Services Ltd.), its parent, subsidiaries, affiliates and each of its respective officers, directors, employees, servants and agents, and their successors and assigns, jointly and severally from any and all actions, causes of action, claims and demands for damages, indemnity, costs, interest, loss or injury of every nature and kind whatsoever arising, from my use of the equipment, including any claims under any employment or human rights legislation.

(2) IN CONSIDERATION of my undertaking the course, I acknowledge that I have at least 20/40 vision in the better eye, and have good spatial judgement, including height and distance. If now, or in me future, I require corrective lenses, I agree to wear them at all times while operating industrial equipment I understand and confirm that if colour differentiation is required, I am capable of distinguishing colours as required. I further acknowledge that I have the ability to hear warning signals and that if I am using a hearing aid or, in the future require such hearing aid, that I will wear a fully functioning aid at all times while operating industrial equipment I confirm that I have full movement of trunk, neck, and upper and lower limbs, and have the strength, endurance, agility, and coordination to meet the demands of operating industrial equipment. In the event a DGS CANADA representative, in any capacity, wishes me to provide a certificate of medical fitness, I agree that I will obtain same, prior to completing this agreement. In the event I cause a disturbance in the classroom, or while operating industrial equipment, while under the supervision of an instructor, I understand that I may be ejected from the class, with no form of refund whatsoever. I further acknowledge that if I am under the care of a medical practitioner, and suffer from any form of mental or physical disability or condition that would prevent me from operating industrial equipment safely, then I will advise the instructor, pay no fees whatsoever, and withdraw from this class immediately.

IN WITNESS WHEREOF I have hereunto executed this Agreement & Waiver as signed below.
